

Software for Clubs

Club Master

Membership Administration Software

Software which simply works!

From Art Software Ltd 0333 123 1170

Ease of use

Because we have been supplying software to member only clubs since 1985 we have detailed knowledge of a membership secretary's requirements.

Our software is designed to be easy to use by anyone, computer literate or not. As a simple example, we do not put pictures on our buttons we put plain text indicating the button's function.

You don't have to sit there wondering what a button does - it's obvious!

The fields in our database have straightforward labels - it's very clear what each field holds.

We don't believe that bells and whistles actually help the operator!

Ease of use

Our software was developed especially for clubs and is designed to be easy to use and understand. Our support staff are on hand to help when needed.

We are very aware that many club officers have full time jobs and we endeavour to provide support whenever it is required - weekends too!

We are always willing to consider modifying our software to suit your particular requirements and this is costed purely on programming time.

If we believe that a particular modification would benefit everyone we incorporate it in the standard package and the club suggesting the modification gets it free of charge!

Security

Logging into Club Master 6 requires a User Name and Password.

There are two user levels – admin and user

Admin can do everything on the system

User can add new member records, edit existing records and renew subscriptions.

They cannot delete records or move them to the Ex Member database

A Change Log records changes, additions and deletions in any of the three databases.

The user name is recorded in the log so changes may be identified with date and time.

Fees

Club Master - Fee Table

Member Type	Fee	Period	Member Type	Fee	Period
1 FULL MEMBER	30.00				
2 LADY MEMBER	20.00				
3 LIFE MEMBER	5.00				
4 HONORARY MEMBER	0.00				
5 BOWLS MEMBER	25.00	H

Default period (Blank) is Annual Renewal
 Renewal Periods: A - annual Q - quarterly M - monthly W - weekly D - Daily
 E - eighteen months N - nine months H - half year T - two months

Close

Club Master provides up to forty member types - enough to cope with the most complex of memberships!

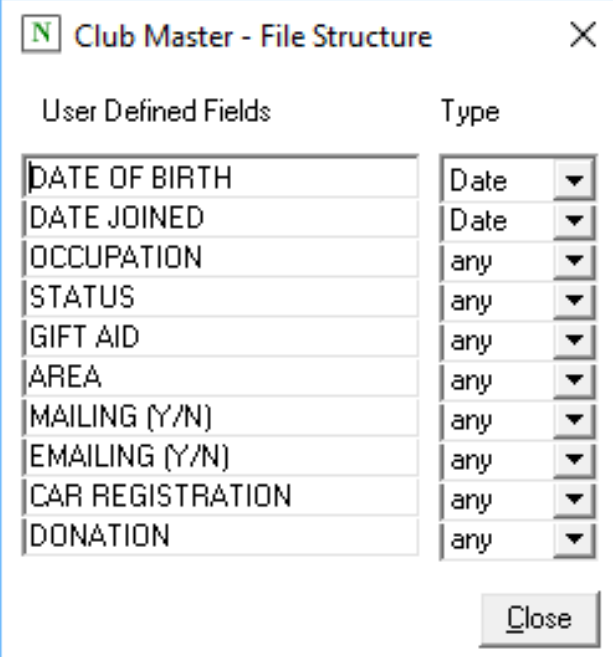

There are also up to twelve additional payment items for annual charges and a variable 'Other' payment on the Fee payment form.

Club Master - Extra Items

Car Park	5.00
Affiliation	10.00
Gift Aid	1.00
Door Card	5.00
Locker Key	2.50
Item 6	0.00

The default Renewal Period is Annual but for gyms, sports clubs etc you can use another 8 renewal periods!
Annual, Quarterly, Monthly, Weekly, Daily, Eighteen Months, Nine Months, Half Year, Two Months

Flexibility

The screenshot shows a dialog box titled "Club Master - File Structure" with a close button (X) in the top right corner. The dialog contains a table with two columns: "User Defined Fields" and "Type". The table lists ten fields with their corresponding data types. A "Close" button is located at the bottom right of the dialog.

User Defined Fields	Type
DATE OF BIRTH	Date
DATE JOINED	Date
OCCUPATION	any
STATUS	any
GIFT AID	any
AREA	any
MAILING (Y/N)	any
EMAILING (Y/N)	any
CAR REGISTRATION	any
DONATION	any

Club Master provides up to ten fields for you to personalise the software to provide a profile for each member in the club.

These fields can also be used for reporting purposes.

Using the software

Club Master 6 provides a button bar for the three databases and Fee Payment

All other routines may be simply accessed through the menus

The user level is indicated on the Status Bar at the bottom of the main screen (level 9 is **admin**)

Members Database

A button bar provides navigation and other features:

Move moves the member to the Ex Members database

Pay displays the member payment history

Print provides a report showing everything you are holding for this member

You can find a member by name, part name or ID number

Then select the member from the list

Members Database

Pay

Click the Pay button to bring up the member's Payment History

The screenshot shows a software interface for a members database. On the left, there is a form with the following fields: a dropdown menu set to 'Mr', a text box 'No' containing '101', a text box 'Card' containing '1234', and several text boxes containing 'Smith', 'Dave', '3 Back Lane', 'Great Leighs', 'Chelmsford', 'Essex', 'CM3 3MC', '01/01/20...', 'FULL MEM', and 'Standing'. At the bottom of this form is a text box containing the email address 'dsmith@anymail.com'. On the right side, there is a 'Certificates' button, a 'Member Notes' section containing the text 'Electrician - can help w', and a 'Member Co...' section. A modal dialog box titled 'Club Master - Payment History' is open in the center, displaying a table of payment records. The table has three columns: Date, Amount, and Description. The records are as follows:

Date	Amount	Description
01/09/2016	£30.00	FULL MEMBER
01/09/2016	£5.00	Car Park
01/09/2016	£10.00	Affiliation
01/09/2016	£5.00	Gift Aid
01/09/2016	£5.00	Door Card

Filtering Data

For a more detailed filter we could find all Full members who joined the club before 01/01/1990

The screenshot shows a dialog box titled "Club Master - Member Select" with a close button (X) in the top right corner. At the top left is a "Filter" button. Below it is a checkbox labeled "Family Heads only" which is unchecked. To the right of the checkbox is a "Stored Filters" dropdown menu. Below the checkbox are two filter selections. "Selection 1" consists of a dropdown menu with "Member Type" selected, followed by a dropdown menu with "Equal to" selected, and a text input field containing "full member". To the right of this selection is an "and" button. "Selection 2" consists of a dropdown menu with "Date joined" selected, followed by a dropdown menu with "Less than" selected, and a text input field containing "01/01/1990". Below these two selections are buttons for "Select", "or", and "and". At the bottom of the dialog are three buttons: "Store", "Clear", and "Cancel".

Member Summary List

Selection: Member Type Equal to full member and Date joined Less than 01/01/1990

Reports

Filters which you use regularly may be stored.

When you choose a Stored Filter the settings will be displayed and you can change them if required.

The screenshot shows a dialog box titled "Club Master - Member Select" with a close button (X) in the top right corner. At the top left, there is a "Filter" button. Below it, there is a checkbox labeled "Family Heads only" which is currently unchecked. In the center, there is a "Stored Filters" section with a dropdown menu showing "Full Members" selected. To the right of this dropdown is a "GO" button. Below the "Stored Filters" dropdown, there is a "Selection 1" section with a dropdown menu showing "Member Type" selected. To the right of this dropdown is a dropdown menu showing "Equal to" selected. Below these two dropdowns, there are three buttons: "Select", "or", and "and". At the bottom of the dialog box, there are three buttons: "Store", "Clear", and "Cancel".

Reports

Another useful utility is **File Statistics**.

If you just need to know how many members fit a certain criteria this will tell you instantly.

Labels

Labels may be printed for mailings, etc
These may be for all members, family heads only or filtered in any other way

Reports

Other reports available in Club Master include:

Detailed Report (Summary Report with 6 user selected fields)

Member Comments (from member records)

Email List

Payment History

Direct Debit (members who pay by direct debit and the period)

Waiting List report

Ex Members report

Member Accreditation Certificates

Member Interests

All reports provide an on screen preview which may then be printed or exported to PDF, Word, Excel and other formats

PDF format is ideal for emailing to committee members before a meeting!

Data Export

Using Data Export you can create merged letters, mailing labels and reports.

Some of our users even produce membership cards!

Produce your own report layouts to present data in the way your committee prefer to see it.

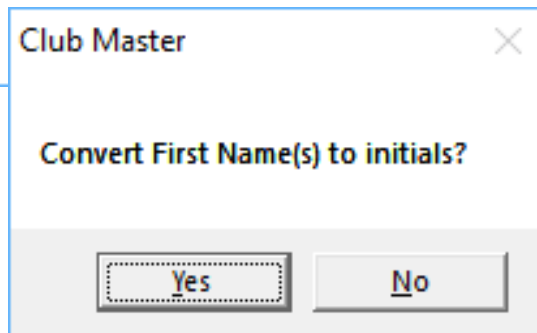

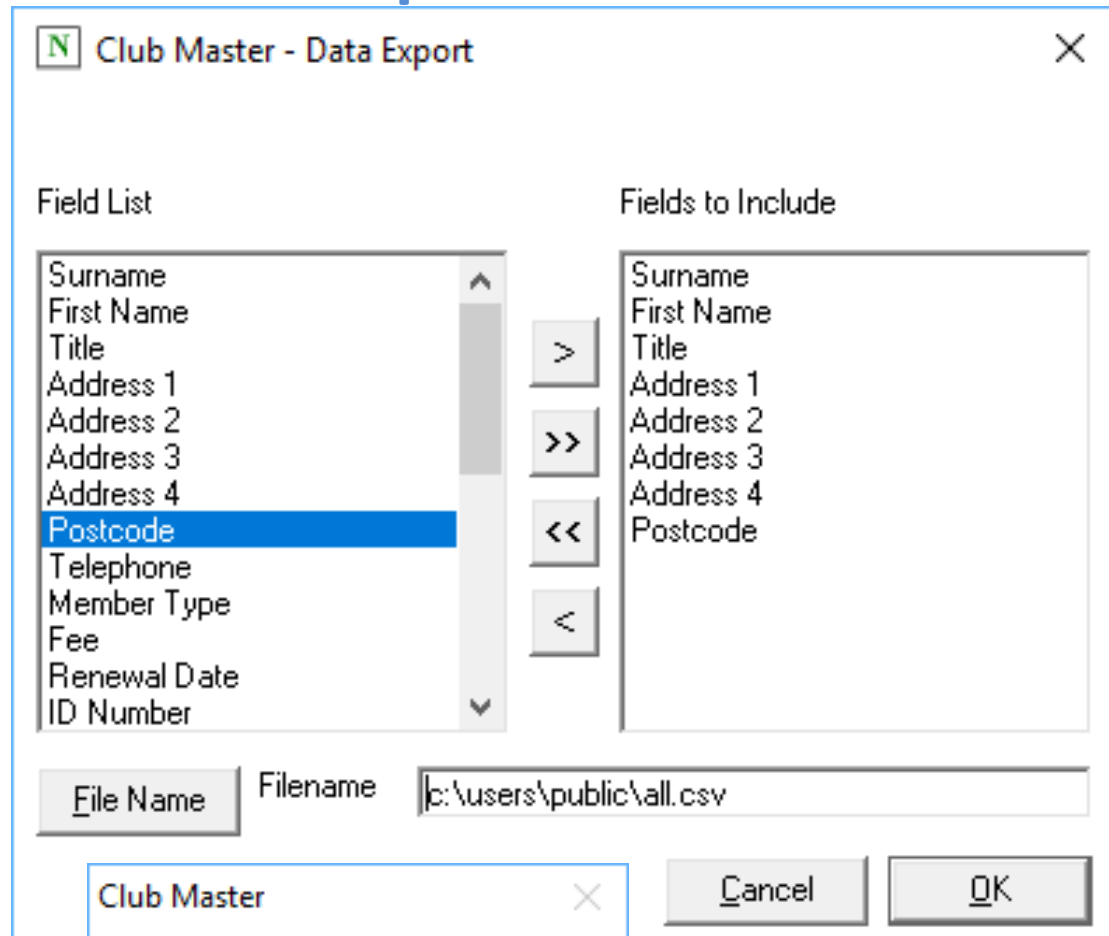

Data Export

Data Export may be filtered, Family Heads only or All members.

Choose the fields to be exported select a Filename and type with the File Selector form (CSV files tend to be the most used) and click OK

You can choose to Convert First Name(s) to initials and the file will be created for mailmerge, etc

Data Export

Export All exports the whole member database and you can click the Excel button to open it in Excel (version independent)

A screenshot of the Microsoft Excel interface. The title bar reads 'mailing.csv - Microsoft Excel'. The ribbon shows 'File', 'Home', 'Insert', 'Page Layout', 'Formulas', 'Data', 'Review', and 'View'. The 'Home' ribbon is active, showing options for Clipboard, Font, Alignment, Number, Styles, and Cells. The spreadsheet below has columns labeled A through M. The data is as follows:

	A	B	C	D	E	F	G	H	I	J	K	L	M
